NON-NEGOTIABLE

Note: This is a sample pay stub. It is not intended to reflect your actual base rate or hours worked.

KEY

- A** This line includes the following items:
 - ⦿ Your Total Hours Worked for the bi-weekly pay period. (This includes all hours worked - Regular Hours, Shift Hours and Overtime Hours.)
 - ⦿ Your Base Rate
 - ⦿ Your Total Regular Pay for the Bi-weekly Period (Total Hours Worked x Base Rate)
- B** This section represents your Paid Time Off, Maryland Sick and Safe Leave, and Reserved Sick Leave. (If you are represented by a Collective Bargaining Agreement, this section may look different.)
- C** All of the codes in this section are new. These lines are all the premium pay you earned during the bi-weekly pay period.

This section includes:

 - ⦿ Hours eligible for premium pay for each premium pay category
 - ⦿ Flat hourly rate for each premium pay category
 - ⦿ Pay amount calculated for each premium pay category (premium pay hours x flat hourly rate)
- D** On call hours and pay are listed here.
- E** All of the pay codes in this section are from your organization's previous pay practices.

Note: because previous pay codes were not standard across the System, your previous pay codes may look different than this pay stub sample.
- F** This calculation totals the numbers in that column.

Note: Because all hours eligible for premium pay are listed under Regular and listed under the premium category, the hours total here are more than your total hours worked.
- G** This section displays your Deductions, including Taxes, Benefits and Garnishments.
- H** This line shows the amount of pay you receive after all deductions.
- I** This section lists how many hours of paid leave you have available.
